

OVERALL SCORE

3.75 / 5

DIMENSION REASONING

SCORE / 5

Structure**4.00**

The subject stands out clearly, with strong separation from the setting. The crop is aesthetically sound, and the subject and scene work together.

Composition**4.20**

A frame-within-a-frame design gives stable structure and natural perspective. Environmental lines guide attention and keep the visual logic clear.

Image quality**4.00**

Resolution is excellent, with rich detail in the subject and background. Textures remain faithful, and noise control meets professional standards.

Tone**3.20**

Soft, textured light and harmonious colors create a distinctive vintage look. Together they establish a quiet narrative atmosphere.

Theme and style**3.80**

The style closely fits street-humanist portraiture. Its visual language is unified and professional, clearly communicating the vintage aesthetic.

Emotion**4.00**

The emotion feels precise and natural, with facial cues integrated into the lighting. Restrained body language still conveys strong aesthetic appeal.
